

# WELCOME TO MY WORLDS

LARRY IVKOVICH / APRIL, 2018

## Newly Revised Version of THE FINAL LESSON!

I've revised my fantasy novella, *THE FINAL LESSON*, complete with a new cover. Yes, I know, another dark image. I do like those darker colors, I must admit, but there is hope in this story of magic, both light and dark, returning to the world after the devastating Plague of Undoing.

*Next in line to the throne, Petaro, the Tela of the Third Bough, has grown up believing magic is a myth, a subject fit only for children's stories.*

*Yet, when a magical assault by the mythical Galoths of Roudin throws Petaro's world into chaos, he must put aside his disbelief and fight the deadly sorcerers' threat. A threat that involves the prophesized Erut of Tai.*

*For the Erut of Tai has been reborn, heralding the resurgence of a new magical order. If the Galoths destroy the foretold savior, Petaro's world and all those he loves will be lost.*

I'll be participating in the Nebula Awards programming this year as an [Ignite Talks](#) presenter.

My topic will be *SF and ROCK and ROLL*, two of my favorite subjects with a long history together.

Each presentation only lasts 5 minutes so I'll have to talk really fast!

The Nebula Awards are coming back to...

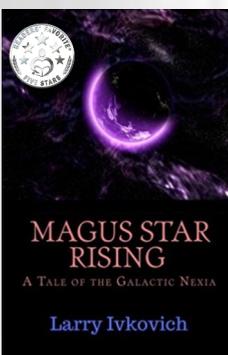

The Nebula Awards will once more be held in Pittsburgh this year—  
May 17 through May 20.
